

Did you know your Store Purchasing Card Program is changing?

Leverage the mobile Store Discount Program.

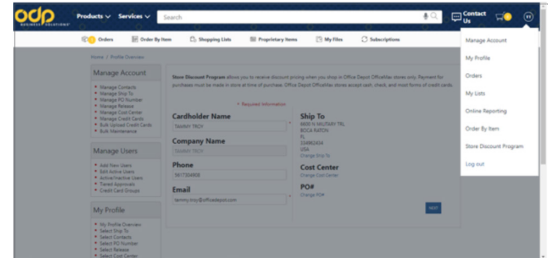

The Office Depot® Store Purchasing Card Program is now the ODP Business Solutions™ Store Discount Program.

Starting May 1, 2022, we are replacing the current Store Purchasing Card Program with a new Store Discount Program.

What's new?

- The program will now offer a **standard discount** on certain product categories when you identify yourself as a program member, however the SPC will no longer provide access to your discounted contract pricing
- You can continue to use your current SPC temporarily, but we encourage you to register online for the Store Discount Program and download our mobile app to access the discount at check-out in an Office Depot® or OfficeMax® store
- **Please note: Account Billing and your Copy & Print contract pricing will no longer be available with the Store Discount Program**

Access your discounted contract pricing online

- You can continue to get your full contract pricing by placing orders on odpbusiness.com
 - Orders can be delivered to your home or business address, or you can place orders online for pick up at your favorite Office Depot® and OfficeMax® retail store locations
- Ordering online gives you more visibility, accountability, and control over what your organization orders — all at your contracted price

Store Discount Program allows you to receive discount pricing when you shop in Office Depot OfficeMax stores only. Payment for purchases must be made in store at time of purchase. Office Depot OfficeMax stores accept cash, check, and most forms of credit cards.
